Beauty and the Greek: Some thoughts on the classical body

This talk examines why Greek ideas of bodily perfection have proved so influential. It explores some of the underlying ideas behind Greek aesthetics and offers some new ways of looking at Greek art and representations of the body.

Tickets are available from members of the committee: John Kalokerinos, Peter Londey, Peter Francis, Tracy Hennessey, Constantine Nikolakopoulos, Christina Clarke, Marina Tsirbas, Ioannis Ziogas and Alex Madeira
