

2020

George Alexander Foundation International Fellowship

The George Alexander Foundation and the International Specialised Skills Institute are offering 5 international Fellowships in the amount of \$10,000 each.

The 2020 George Alexander Foundation International Fellowship provides an opportunity for individuals aged between 18 - 35 years to acquire higher-level skills and drive leading practice and innovation in Australia. It is intended that the Fellowship will demonstrate potential benefits for, and application in, Australia.

Applications should focus on the following areas:

- Environment and Sustainability
- Alternative Energy
- Education
- Innovative/significant Fellowships in other areas may be considered

Examples of previous Fellowships include:

- Microgrids: The pathway to Australia's smarter, cleaner energy future (Environment and sustainability / alternative energy)
- Innovations In Knife Making: the fire, the edge, and creating a meaningful workspace (Innovation)
- Global Best Practice in Animal Training in a Zoo Setting: With Emphasis on Primates (Environment)
- Student Leadership, Student Voice and STEM Education in schools (Education)

About the Fellowship

We are seeking candidates for this Fellowship who are interested in exploring new and leading practice, innovation and leadership opportunities in Skill Enhancement areas within the environment and sustainability, alternative energy or education industry or sectors. However, if you have an innovative or significant Fellowship proposal in an alternative field, this may also be considered. Applications are welcome from residents of any state in Australia.

*Applications for this Fellowship round will open on the **2nd March** and must be recieved by **4pm, 24th April 2020***
