Currumbin Wildlife Hospital

Currumbin Wildlife Hospital Foundation invites you to celebrate the 2020 Benefit Under the Stars - a virtually charged global event!

Due to COVID-19 we have had to move our onsite event however Benefit Under the Stars has not been cancelled, just moved into a virtual space.

Join us from the comfort of your own home for a special evening of entertainment, performances, interviews, wildlife stories and an inside look at one of the world's busiest wildlife hospitals.

You can join us from anywhere in the world!

In 2019 the Currumbin Wildlife Hospital admitted over 12,200 wildlife, a record which is on the rise in 2020. Our mission is to treat, rehabilitate and release wildlife back to their home while striving to find ways via research and projects to protect our most vulnerable patients. We depend on the community for support to continue our work.

"Due to COVID-19 and the current social isolation rules we have had to change the dynamics of our event however, I look forward to welcoming guests in a virtual space, from the comfort of your own home, to the 2020 Virtual Benefit Under the Stars".

Dr Michael Pyne, General Manager

Curumbin Wildlife Hospital

Treat, Rehabilitate & Release

OUR MISSION

To be a world leader in the prevention, treatment and rehabilitation of sick and injured wildlife, and play an integral role in conservation, research and education projects to ensure the survival of Australia's iconic species.

OUR VISION

Australia's native wildlife prosper in an injury and disease free environment, ensuring survival of species for future generations to enjoy.

Currumbin Wildlife Hospital Foundation was created to secure the future of Australia's wildlife. The Foundation directly funds Currumbin Wildlife Hospital and its vital work treating, rehabilitating and releasing sick, injured and orphaned native wildlife.

The Hospital has grown to be one of the busiest wildlife hospitals in the world, admitting over 12,200 animals a year – a service that is provided free of charge to the community.

The skilled and experienced veterinary team, supported by volunteers, prides itself in providing the highest level of care to all of their patients.

VIRTUAL *Benefit* UNDER THE STARS

Did You Know?

Currumbin Wildlife Hospital remains open during COVID-19 to continue their vital work of treating, rehabilitating and releasing sick, injured or orphaned native wildlife.

Currumbin Wildlife Hospital opened 31 years ago and has grown to be one of the busiest wildlife hospitals in the world admitting over 12,200 animals a year, including almost 600 Koalas - a service that is provided free of charge to the community.

The extreme weather and drought has put immense pressure on the Currumbin Wildlife Hospital and its resources. The Hospital saw an additional admissions during 2018 /2019 bushfires and drought zones, the increased admissions of wildlife will continue to increase over the next 6-12 months as animals return to their devastated homes and seek food, limited shelter and try to remain healthy as they recover.

Help Keep Our Doors Open To Save Wildlife...
