

ORGAN DONATION !

ICOMOS (SA) Christmas end of year get together

As the year draws to a close, please join us for a tour of *Grieve Gillett Andersen's* award winning pipe organ installation at St. Francis Xavier Cathedral, Victoria Square, Adelaide,

Wednesday 14th December 4:30-5:30pm. We will then retire to La Boheme bar in Grote Street for a festive drink or two!

Ian Hamilton, now director with *Arcuate Architecture*, will provide a tour of the recently refurbished historic pipe organ and briefly discuss the project and its challenges.

As a special treat, one of the organists at the Cathedral will also play a short recital for us, so we can fully appreciate the power of this superb instrument!

Please book through Eventbrite <https://www.eventbrite.com/e/aust-icomos-sa-christmas-organ-event-tickets-29847128565> by Monday 12th December. The event is free, but a donation to the organ and Cathedral fund would be greatly appreciated.

We hope you can join us,

Michael Queale (SA Rep, ICOMOS Executive Committee)
Elizabeth Little (ICOMOS Executive Committee)
Ian Hamilton – Cathedral Architect and ICOMOS member
