

You are invited to a celebration of the 40th Anniversary of the Burra Charter

6.15 – 8.00 pm, Friday 15 November 2019

Shine Dome

15 Gordon Street, Acton, ACT

The evening will also include a presentation on Australia's latest World Heritage property – Budj Bim

In the 40th anniversary year of the Burra Charter and in conjunction with its national conference on the theme of Heritage of the Air, Australia ICOMOS is pleased to host a celebratory event to mark this occasion.

A highlight of this reception, with drinks and nibbles, will be a presentation on Australia's latest World Heritage property – Budj Bim in western Victoria, which was inscribed in July 2019. Australia ICOMOS is delighted that Denis Rose, Land Manager at the Gunditj Mirring Traditional Owners Corporation, has agreed to speak about the World Heritage journey for this remarkable Indigenous heritage place.
