AL_FOZAN AWARD:

- Abdullatif Al-Fozan Award for Mosque Architecture, March 2017 6

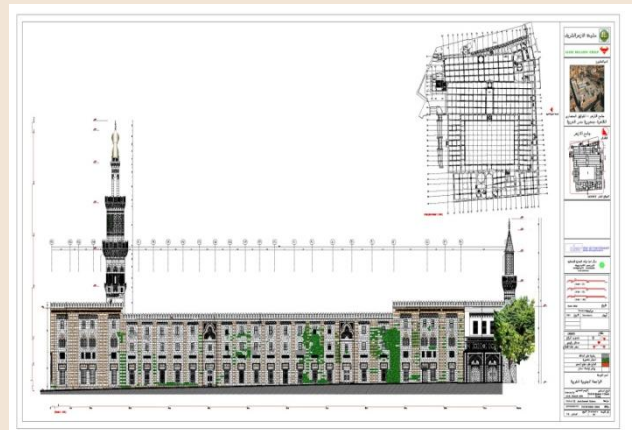

RESTORATION OF AL-AZHAR CONGREGATIONAL MOSQUE, HISTORIC CAIRO, EGYPT

The mosque is one of Egypt's Islamic monuments built during the reign of the Fatimid Caliphate Al-Mu'izz Ldinallah in 972.

A Noble deed of the late King Abdullah bin Abdul Aziz Al-Saud, the restoration works are going in the mosque. The project was entrusted to Al-Marasem Company. The Center for Conservation of the Islamic Architectural Heritage, which I have the honor of chairing, was entrusted to prepare the restoration project from Dar Al-Handasah for Consultation.

ABDULLATIF AL-FOZAN AWARD FOR MOSQUE ARCHITECTURE, MARCH 2017

Prof.Dr.Saleh Lamei , member of the Board of Trustees, was invited to attend the celebration ceremony in 12 March 2017. The Abdullatif Al-Fozan Award for Mosque was founded in 2011. Thirteen Mosques were chosen from 122 mosques nominated for the award. According to the jury three mosques had been selected in the finals to win the prize which value 2 million riyales. The award ceremony was held in Jeddah under the patronage of H.R.H. Prince Khalid Al-Faisal, advisor to the Custodian of the Two Holy Mosques, Governor of Mecca Region and H.R.H. Prince Sultan Bin Salman the head of the Board of Trustees. Three mosques wins the awards; Musherib Mosque - Qatar; Sheikha Salama al Ain city United Arab Emirates- Central mosque; Arcapita Mosque Bahrain, local mosque.

Al Sheikha Salama Mosque,
Al-Ain city, UAE

The architectural design of the mosque blends the modern with the traditional. It is in harmony with the surrounding traditional features of the urban context.

Two outstanding Architects Jordanian Architect Rasem Badran and Egyptian Architect Abdel Wahed Al- Wakil received awards for their whole works in Mosque design.

Musherib Mosque
Doha- Qatar

The mosque features a beautiful façade and landscaping with pomegranate, olive & date trees . The design is based on traditional Qatari mosque

Arcapita Mosque , Bahrain- Manama
The mosque part of SOM(Skidmore, Owings & Merrill) The mosque allows natural lighting to flow in through 40 windows, the lighting system for the interior& exterior façade is controlled by the use of an automatic astronomic solar time clock.
