World Heritage Day 2013 celebration at Dār Al-Uloom University, Riyadh, K.S.A, from April 16-18, 2013.

The world celebrates each year the World Heritage Day on 18 April, in order to promote awareness of the importance of the cultural heritage of mankind. On this occasion the Kingdom of Saudi Arabia celebrates this day organized by the University of Dār Al-Uloom. This year the celebration has the theme “The legacy of the past for the present”.

The event throughout two-days has featured five sessions to discuss five themes in the urban heritage, in which to take part 21 key speakers, who will discuss 17 key issues in the urban heritage field in addition to the accompanied exhibition and display of a film on the efforts of the Kingdom of Saudi Arabia on urban cultural heritage.

The celebrations program will also include the honoring of the sponsors and participants of the event, in addition to the people that had great role in bringing out the efforts of the Kingdom in cultural heritage field. The event will hold an open meeting between H.R.H President of SCTA and the students of Dār Al Uloom University.

Opening of cultural heritage exhibition

H.R.H. Prince Sultan bin Salman bin Abdel Aziz
at the opening ceremony

The objectives of the events:

- * Highlighting the interest of the kingdom on cultural heritage at the local and global level.
- * Activating the partnership between all relevant authorities.
- * Create employment opportunities in the field of preservation and rehabilitation on buildings & architectural heritage sites.
- * Raise awareness of the importance of preserving the architectural heritage as being a link between present and past generation “the legacy of the past for the present “

5th International Conference on Hazards & Modern Heritage, Sarajevo, April 22-24, 2013

The main topics of the conference are to emphasize and explore the importance of all physical (urban built heritage) and metaphysical (ethical, social...) characteristics of place on the process of re-design.

The event took place on 22-24 April 2013, in Sarajevo, Bosnia Herzegovina, Bosnia Institute. Prof. Saleh Lamei presented a lecture titled

“URBAN HERITAGE & SUSTAINABLE DEVELOPMENT IN THE ARAB WORLD”
