Energy Efficiency in Vienna Social Housing Projects
Speaker to be notified
- WS 2.2** **Climate and Energy Model Regions** -
Role Models for Energy Efficiency in Historic Buildings
Speaker to be notified

- WS 2.3** **Energy Efficiency in Historic Objects -**
Funding Opportunities and Financing for
Projects Featuring Energy Efficiency
Gerald Wagenhofer / UBW GmbH

Stream 3

Technological Possibilities

- WS 3.1** **Climate-Neutral Refurbishment of Historic Buildings**
Speaker to be notified
- WS 3.2** **Thermal Refurbishment of Historic Buildings -**
Tempering
Henning Großschmidt / Büro für Thermische Bauphysik
- WS 3.3** **Energy-Analysis of Buildings through**
Laser-Scanning
Speaker to be notified

Stream 4

Energy Efficiency in EU-Projects

- WS 4.1** **BUILD UP Skills -** Goals and Objectives of this
EU Education and Training Initiative
Speaker to be notified
- WS 4.2** **Energy Efficient Refurbishment in Historic**
City Areas - Report of an RP 7-Project
Speaker to be notified
- WS 4.3** **Energy Efficiency in Education and Training -**
Status Report of the LLL-Project Ask-MHB
Ingrid Wagenhofer / Project Manager

16:10 16:30 Break

16:30 17:00 Energy Efficiency in Architecture -
A Holistic Assessment
Speaker to be notified

17:00 18:00 Penal Discussion
Energy Efficient Historic Buildings -
Quo Vadis?

18:00 End of Day 1

Penal Discussion 10 October 2013

«Energy Efficient Historic Buildings - Quo Vadis?»

Penal:

Reinhold Sahl / Burghauptmann BHÖ, **Barbara Neubauer** / President of
the Federal Monuments Office (Bundesdenkmalamt),
further penal members to be notified

Host: **Gerald Wagenhofer** / UBW GmbH

2nd Day: 11 October 2013

Relevant Standards for Historic Buildings

09:00 09:15 Opening

at National and European Level
Irmgard Eder / City of Vienna (tbc)

10:00 10:45 Overview of Relevant Standards for Historic Buildings
Christian Schönbauer / Federal Ministry for Economy,
Family and Youth (tbc)

10:45 11:00 Break

11:00 12:00 Energy Efficiency in Historic Monuments -
Reconciling Standards and the
Protection of Historic Monuments
Speaker to be notified

12:00 13:30 Break

13:30 14:15 Penal Discussion
Holistic Refurbishment of Historic Buildings

15:00 17:30 On-Site Presentation of Refurbishment Projects:

BEST PRACTICE EXAMPLE 1:

Considering Temperature Control in Facade Restoration
Jochen Käferhaus / Käferhaus GmbH

BEST PRACTICE EXAMPLE 2:

Energy Efficiency at the Castle Schloss Schönbrunn
Wolfgang Kippes / former CEO of Schloß Schönbrunn
Kultur- und Betriebsges. (tbc)

BEST PRACTICE EXAMPLE 3:

Civil Solar-Power Stations
City of Vienna (tbc)

17:30 End of Day 2

Penal Discussion 11 October 2013

«Holistic Refurbishment of Historic Buildings»

Penal:

Reinhold Sahl / Burghauptmann BHÖ, **Barbara Neubauer** / President of
the Federal Monuments Office (Bundesdenkmalamt),
further penal members to be notified

Host: **Gerald Wagenhofer** / UBW GmbH

Fees

You may register for one or two days' attendance. Early registrants are entitled to a € 50 discount:

	1 day attendance	2 days attendance
Registration until 2013-07-15	150 €	280 €
Registration at a later date	200 €	330 €

Public authorities, charity organisations and church organisations are admitted free of charge. There is a restricted ticket quota of student tickets funded by a sponsor. For more information, please, contact the Congress office.

We also offer **group discounts** so as to ensure that several members from the same organisation can attend the congress:

- 1 in 4 regular attendants from the same organisation will be exempt from fees**
- 2 in 7 regular attendants from the same organisation will be exempt from fees**

People with disabilities can be provided with personal assistance throughout the congress. If such service is required, please inform the Congress office.

Endorsing social sustainability, we will offer childcare services during the time of the congress. If required, please inform us upon registration.
