

Heritage, Memory & Identity

Book Launch and Seminar

The Centre for Cultural Research (CCR) and Australia Council for the Arts invite you to celebrate the release of *Heritage, Memory & Identity*. Edited by Helmut K. Anheier (Heidelberg University, UCLA and Hertie School of Governance) and Yudhishtir Raj Isar (The American University of Paris, currently at CCR under the Eminent Visitor Research Fellowship Scheme), the volume is the fourth in the successful *Cultures and Globalization Series* published by SAGE, which brings together international scholars in exploration of intersecting themes in an increasingly globalized world. Through examination of heritage sites, practices of memorialisation, museums and human rights, the diversity of the volume ensures it is set to become one of the most comprehensive in the field.

The evening will be hosted by Distinguished Professor Ien Ang (Director, CCR) and Senior Research Fellow Dr Tim Winter (CCR), both of whom have chapters in the volume and will speak briefly of their contributions. The evening will include a short seminar to mark the publication featuring the following presenters:

Professor Yudhishtir Raj Isar (The American University of Paris), Co-editor of the volume and distinguished scholar

Dr Denis Byrne, Research Manager, Country, Culture & Heritage Division at the NSW Office of Environment and Heritage

Dr Emma Waterton (University of Western Sydney), Lecturer in tourism and heritage studies and Assistant Editor of The International Journal of Heritage Studies

Please join us in celebrating the launch of this new edited collection.
