International Scientific Committee on Shared Built Heritage

Vale Romana!

IN MEMORIAM

The sudden death on January, 22nd 2016 of Prof. Dr. Romana Cielatkowska is completely unexpected to all of us all, who knew her with the Shared Built Heritage ISC.

Romana was our ISC Shared Built Heritage representative for Eastern Europe. She joined the committee in 2008 and was the prime mover to open up the interpretation of “shared built heritage” with respect to the transfer of built heritage from one state to another due to the moving of national/territorial borders and movement of peoples arising from international treaties due to wars, conflicts, etc.

Romana hosted our 2009 Shared Built Heritage AGM meeting and organized in cooperation with ISC SBH several conferences in Poland, at Gdansk (her home city), Paslek, Marianka, Krakow and Gdingen concerning shared built heritage, and at her Faculty of Architecture, Gdańsk University of Technology which was co-hosted with the ICOMOS Polish National Committee.

Romana was also a participant of our SHB study tours of Malaysia and Indonesia in 2014 and of Japan in 2015. She attended several bureau meetings in Darmstadt, Melaka and George Town and the Fukuoka annual meetings as part of the Polish delegation.

She was a very warm and caring person, good company, a kind friend, and most importantly a kindred spirit with us all. We miss her very much! She will be well remembered.

Our condolences to her daughter and family and to ICOMOS Poland for the loss of a very active and qualified member.

In deep mourning
