

Tbilisi, 20-22 September 2011
International Conference Community and Historic Environment

Registration Information

All interested to participate in the **International Conference Community and Historic Environment** should fill in attached registration form, clearly indicating the form of participation: a. case study presenter; b. poster presenter; c. participant. Applicant can include information on the need in financial assistance.

Financial Assistance

Registration fee \$220 including information materials, coffee breaks, a copy of Betlemi Revitalisation Programme Report, lunches, closing dinner, will be covered by the Conference organisers for all selected participants.

Since the Conference organisers wish to ensure possibly wide participation from different regions and support as many applicants as possible, the Selection Panel will, in general, only provide partial grants for travel or accommodation, etc. To achieve the goal, organisers encourage all applicants to seek funding in their own countries.

Selection criteria to provide financial assistance are: a. applicant from the country in most need of such support; b. relevance of the proposed case study.

Important note

ICOMOS Georgia will assist to arrange hotel reservations and other logistic issues.
