TJC EMPORIUM | INTERNATIONAL WOMEN'S DAY

Hello friends, supporters, and communities,

We hope this newsletter finds you safe and well.

This week, in honour of International Women's Day on 8 March the TJC Emporium is showcasing some of our favourite women-made shop items. From books, to homewares to gifts, we are proud to support women-lead businesses, both local and international.

Don't forget you can always find us on social media, our [Instagram](#), [Facebook](#), and [Twitter](#) are regularly updated with behind the scenes stories from our Collection, and our [YouTube](#) channel features videos from our exhibitions from the past four years.

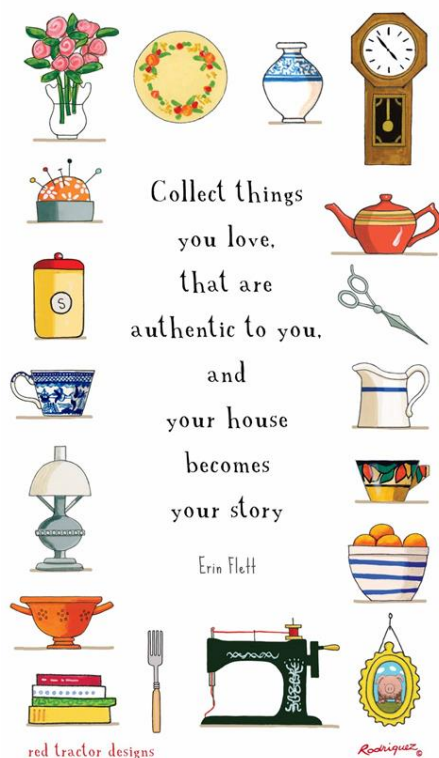

Have an idea for something you would like to see us add to our online offerings? [Let us know](#).

Your ongoing support means a lot to us at this time. As a self-funded independent museum, the current period of unplanned closure represents a real challenge. If you're able to help, please do buy something from our online shop. All profits go towards the upkeep of TJC. Thank you.

TIME FOR TEA

Red Tractor Designs features the artwork of Rachael Flynn, based in Piambong NSW. Rachael's designs feature scenes of farm life, such as a wheat harvest, shearing, and mustering stock, all painted on board or paper with a fine brush. In recent times, the RTD images are more 'character based', and are created by digital enhancement of original work, which allows her to produce a greater variety of work. TJC stocks tea towels and aprons featuring Rachael's distinctive artwork.
