TJC EMPORIUM | Welcoming Spring!

Hello friends, supporters, and communities,

We hope you are keeping well, and taking care of each other.

Spring has sprung and we couldn't be more delighted to offer you a selection of books, cards, scarves and more that are sure to brighten up every spring day!

REDOUTÉ - THE BOOK OF FLOWERS

French flower painter **Pierre-Joseph Redouté** (1759-1840) devoted himself exclusively to capturing the diversity of flowering plants in watercolor paintings which were then published as copper engravings, with careful botanical descriptions.

This elegant catalogue brings together all engravings from Redouté's illustrations of Roses and *Choix des plus belles fleurs* (Selection of the Most Beautiful Flowers) and the most astounding images from *The Lilies*.

CARD (DANIEL MACKIE COLLECTION): HEART OF GRASS

This card shows a water colour illustration, by Daniel Mackie, of a heart of grass.

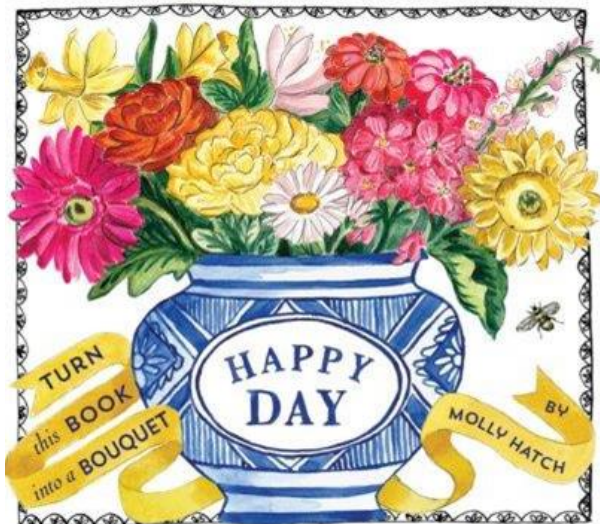

The earliest depictions of the use of the heart symbol is believed to derive from the ancient culture of Cyrene, a North African city which was founded by the Greeks in 631 BC, and then later ruled by the Romans.

The DM Collection is a range of cards designed by award winning illustrator Daniel Mackie. There is a loose theme in Daniels work, “animals in their natural habitat”

HAPPY DAY: BOUQUET IN A BOOK

This book, by ceramicist and illustrator Molly Hatch, offers a fresh take on the Victorian notion of expressing oneself with the symbolic language of flowers.

Each spread features a flower that “flips up” from the page, a brief description of the flower’s meaning, and its special message for the recipient. When all of the blossoms are popped up, the book can be displayed on a desk just like a vase of flowers.
