

Cádiz, 1 July 19, 2017

Dear Colleagues,

I am pleased to invite you to take part in **TechnoHeritage 2017** (*3rd International Congress on Science and Technology for the Conservation of Cultural Heritage*) to be held in **Cádiz, Spain** during **20-23 May, 2017**. The Congress is organized by the Spanish Network of Science and Technology for the Conservation of Cultural Heritage (TechnoHeritage).

TechnoHeritage 2017 offers you:

- An interdisciplinary and international forum for discussions on all aspects of Cultural Heritage
- A special session focused on H2020 opportunities for Cultural Heritage topics
- A high-quality scientific programme including new emerging topics in Cultural Heritage such as: nanotechnology, underwater conservation and innovative monitoring techniques
- Publication of papers in indexed proceedings. In addition, a number of selected papers will be published in a high-quality journal with a high impact factor
- Reduced registration fee for students. In the case of undergraduate students, recognition of an academic ECTS credit
- An extraordinary venue for the conference. Cádiz, one of the oldest cities in Western Europe which preserves an important historical legacy, together with excellent beaches.
- A fantastic social programme including a tour of a Sherry Bodega, a Gala Dinner with flamenco show and a guided tour of Cádiz
- The reduced registration fee includes lunches, the Gala Dinner and two different tours.

Abstracts will be accepted until 15 November 2016.
