The Best in Heritage at MPT-Expo Fair in Fuzhou, China, 23-26 November 2018

With the goal of building an exchange platform for the museum industry and helping its creative development, the “[China Museums and Relevant Products and Technologies Exposition](#)” is the only international comprehensive exhibition in the museum and museum-related field in China. Guided by the State Administration of Culture Heritage, the MPT-EXPO was established in 2004 by the Chinese Museums Association, the China Association of Natural Science Museums and other organizations. MPT-EXPO has already been held successful for five times, with total over 600 museums, and more than 1200 suppliers of products and technologies that have been participating so far. Best in Heritage joins the 2018 fair together with Micropia, TextielMuseum and Cleveland Museum of Art.

Sign and share Berlin Call to Action "Cultural Heritage for the Future of Europe"

The Berlin Call to Action “[Cultural Heritage for the Future of Europe](#)” advocates the need for an ambitious European Action Plan for Cultural Heritage. It was presented at the first ever European Cultural Heritage [Summit](#) held last June in Berlin by the 3 co-hosting organisations, namely Europa Nostra, the leading European heritage network, the German Cultural Heritage Committee (DNK) and the Prussian Cultural Heritage Foundation (SPK). Since then, more than 1,700 citizens and representatives of organisations have signed the Berlin Call to Action. Europa Nostra invites all those who care for Europe's past, present and future to [sign online the Berlin Call](#) and to share it with your network. Join the discussion on Twitter using the [#BerlinCallToAction](#) hashtag.

Let's meet at ICOM's 25th General Conference in Kyoto!

Between the 1st and the 7th of September 2019, Kyoto (Japan) will host the biggest and most important conference of the museum field in the world. Come and join the 3.000 museum professionals and experts to this worldwide reputed hub for exchange about the most pressing challenges museums face today. Aside from the debates, round tables and panels, the Kyoto 2019 General Conference will also host an international museum fair, where participants will be able to interact with the latest technological advances available for museums. Further information on ICOM Kyoto 2019 can be found by clicking [here](#).
