Alianza Francesa de Buenos Aires
and online via live streaming

ICOMOS
BUE

The session aims at informing about ICOMOS' role within the World Heritage system and at providing a forum for discussion. The event at the Alianza Francesa is open for all General Assembly participants who have pre-registered for this event. Those participants of the General Assembly who have not pre-registered may be able to join on a "first come, first serve" basis, as seats are limited.

The information session will also be open to ICOMOS members world-wide, as well as, to non-members and future heritage professionals that are currently enrolled in relevant graduate degree programmes. To participate remotely please register by filling out our [registration form](#).
